

Treasury & Investment Policy (Reviewed 2018)

1. Policy Background

- 1.1 Tring Town Council's treasury and investment policy and its associated strategy are conducted in accordance with:
- i) The Local Government Act 2003 (the Act) and supporting regulations. This requires the Council to prepare an Annual Investment Strategy which sets out the Council's policies for managing its investments and for giving priority to the security and liquidity of those investments.
 - ii) The statutory guidance on local government investments¹ (issued subsequent to the Act) which requires the production of an Annual Investment Strategy and gives guidance on how this should be completed.
- 1.2 It is uncommon for a parish council to hold investments other than in the form of easily accessible bank deposits or other short-term savings accounts. These are often used to maximise income from cash balances during the financial year.
- 1.3 For parish councils the legislation and associated guidance where investments are:
- 1.3.1 Below £10,000 requires no action
 - 1.3.2 Between £10,000 and £500,000 the guidance is optional
 - 1.3.3 Above £500,000, the guidance is mandatory.
- 1.4 Background information regarding the sources of Tring Town Council's funds for investments can be found at Appendix A.
