- The scale of the development was still excessive, despite a small reduction in the size of the first floor extension
- Loss of light and overlooking
- How the extension would be joined to the existing walls and roof, given the construction method used to build the existing roof and the protection/re-routing of the existing drains

19238. OUTSIDE BODIES

Members gave reports of meetings attended when representing the Council:

- Cllr Mrs Ransley - a meeting of the Tring Community Centre Management Committee. A schedule of work would commence shortly.
- Cllr Hollinghurst – an Arla/Olleco liaison group meeting. He explained that the site was now up to 80% capacity with 800 employees (including 30 industrial apprentices). Traffic movements were up to target with no adverse impact on the A41. A contract to supply all of Morrison's had recently been secured. It had a co-operative ownership to which a profit sharing scheme for the farms contributing was being added. There was now onsite production of the plastic bottles used – the bottles produced had a 40% recycled content. The aim was to increase this to 50%, which was considered the maximum possible. A modest increase in capacity was planned bringing the employment up to 1,000. Ollec was the firm running the anaerobic digester processing Arla bio-waste and contracted material to produce methane, which when purified was fed into the gas grid. Cllr Hollinghurst said that the Council's decision, led by Cllr S. Hearn, to support the development was a very good one.
- Cllr Townsend, at the end of his ten years involvement with FOTCH, was pleased to report that there was an established roster of events (the recent family fun day raised £3,600) and a well-managed, stable investment portfolio. There had been changes in key roles, which would, hopefully, build on these. FOTCH was supporting new internal lighting of the church. A possible project to provide outside lighting was being investigated. Councillors were invited to attend the FOTCH AGM on Wednesday 23rd May.
- Cllr Wilkins attended a meeting of the Tring & District Local History and Museum Society. Dacorum Borough Council's plan that the Bury, Hemel Hempstead, will be converted into a museum and heritage centre and the cost was noted.
- Cllr Grace reported how Tring Sports Forum was well supported, but was still trying to extend membership e.g. to cycling and running groups.

- Cllr Hicks also attended the Sports Forum

19239. TRING YOUTH TOWN COUNCIL

Cllr Nutkins will attend the next meeting on Wednesday 23rd May 2018

RESOLVED: To note the minutes of the meeting held on 25th April 2018

19240. GDPR Policies

The following draft policies for adoption for GDPR compliance were circulated prior to the meeting:

- i. Privacy Declaration
- ii. Retention and Disposal Policy (SLCC Template)
- iii. Information and Data Protection Policy (SLCC Template)
- iv. Employee Handbook (Produced by MoorePay – The Council’s payroll contractor)

The Clerk outlined the steps taken so far with regard to GDPR compliance:

- A data audit has been conducted
- The physical aspects – security of hardcopy and electronic versions have been reviewed
- Procedural aspects e.g. handling enquiries in the Information Office were being finalised

Updating the Council’s policies so that they are GDPR compliant was the next step. Both the Society of Local Council Clerks (the SLCC) and the National Association of Local Authorities (NALC) have published templates for use by members. Generally the NALC templates are extremely legalistic and are not written in an inclusive style. The SLCC are much briefer and easier to understand. The internal auditor, appointed as Data Protection Officer, had advised adoption of the SLCC versions – the preferred option – without amendment initially. This should be followed by a more comprehensive review of them once the situation had settled down.

The Staff Handbook circulated has been prepared by Moorepay, our payroll provider, as approved by the Staff & Employment Committee on 5th March 2018. This brought the handbook up to date in terms of the existing legislation and was GDPR compliant.

Cllr Townsend asked that the title to the first document be changed to include the word ‘Declaration’.

The Members thanked the Clerk and Deputy Clerk for their work preparing for GDPR.

Cllr Hollinghurst advised Members to register with the ICO.

RESOLVED: That Documents (i) – (iii) be adopted as presented subject to a review at the November meeting of the Finance and Policy Committee subject to the agreed amendment

That Document (iv) be adopted as presented subject to a review after six months by the Staff & Employment Committee

The meeting closed at 9.03 pm
